

Memo

To: RAS Membership
From: Ringette Saskatchewan, Executive Director
Date: September 12th, 2019
RE: Ringette Saskatchewan's "B" Provincial Championship Policies

Please be advised that the Ringette Saskatchewan's Board of Directors, at their September Board of Directors meeting, passed new Policies for "B" Provincial Championships.

I would like to refer you to our Provincial Championship Policy section VI. Team Rosters & Bench Staff Requirements "B"/"C" Championships <http://www.ringettesask.com/policies/technical-policies-competitions/>. The new changes to this section are the following:

- An injured participant may be replaced by a player pick-up on the roster after January 31, to total the roster to 12 skaters, upon producing a Doctor's memorandum indicating her/his inability to play. The replacement must be as outlined in the player pick-ups definition above.
- Affiliate athletes who are affiliated to one other roster, must be on both rosters submitted to RAS as of November 2 to be allowed to participate in the Provincial "B" Championship.
- Registered roster as of November 2 must not exceed 18 athletes including Affiliate Athletes.

Ringette Saskatchewan wants to thank last season's B Coaches and our Associations for their consultation in these changes. We feel these new changes will be best suited for the changing landscape of our sport; while also helping us reach our goal of getting more females to play the game.
